2021 年 1 月 11 日, 征和成功在深交所上市, 成为中国链传动行业首家 A 股上市公司, 证券代码: 003033。

On January 11, 2021, CHOHO entered the capital market and was successfully listed in shenzhen Stock Exchange, Stock code: 003033.

征和公司成立以来, 始终坚定不移地聚焦链系统, 心无旁骛攻主业, 从技术薄弱到行业领军, 从默默无闻到世界驰名, 从单一摩托车链条到涵盖车辆、农业机械、工业设备三大链系统板块。上市后, 征和加快了技术研发, 为客户提供高耐磨、高精度、抗冲击、免维护、轻量化、链系统、零缺陷的高端产品, 为舰船、汽车、工业装备等重点行业国产化配套替代进口而努力, 助力制造强国。加快数字化智能制造转型, 布局全球市场, 致力于成为全球链系统技术领导者, 以优异的成绩回报社会、股东、合作伙伴和员工。

Since its establishment, CHOHO has always been firmly focused on the chain system and its main business, from weak technology to industry leadership, from obscurity to world-renowned, from a single motorcycle chain to covering three major chain system sectors: vehicles, agricultural machinery, and industrial equipment. After listing, CHOHO accelerated technology research and development, providing customers with high-end products with high wear resistance, high precision, impact resistance, maintenance-free, lightweight, chain system, and zero defects, and worked hard to replace imports for the localization of key industries such as ships, automobiles, and industrial equipment, and help build a strong manufacturing country. Accelerate the transformation of digital intelligent manufacturing, layout the global market, and strive to become a global leader in chain system technology, and return excellent results to the society, shareholders, partners and employees.
